2. Written Assignment (50%)

Detail: To prepare a case report of 1,000 – 2,000 words on one of your presented cases.

The case report should include not only your presented scope but should cover the whole case issues. Below are the suggested contents, and you might decide contents to make the report comprehensive:

- Introductions and Background
- Case History
- Treatment Plan
- Expected Outcome and other discussions.

Submission through VeriGuide is required, [Year 2023-24, Term 3, Course Code: MRGO5201-S01, Assignment no. 1, Teacher: Professor CHEUNG, Wing Hoi.

Submission Deadline: **31/5/2024 (Fri)** (Remember to submit the full version and signed declaration form also)

Attention: University policy and regulations on honesty in academic work

Attention is drawn to University policy and regulations on honesty in academic work, and to the disciplinary guidelines and procedures applicable to breaches of such policy and regulations. Details may be found at <http://www.cuhk.edu.hk/policy/academichonesty/>.

With each assignment, students will be required to submit a signed [declaration](#) that they are aware of these policies, regulations, guidelines and procedures.

- In the case of group projects, all members of the group should be asked to sign the declaration, each of whom is responsible and liable to disciplinary actions, irrespective of whether he/she has signed the declaration and whether he/she has contributed, directly or indirectly, to the problematic contents.
- For assignments in the form of a computer-generated document that is principally text-based and submitted via VeriGuide, the statement, in the form of a receipt, will be issued by the system upon students' uploading of the soft copy of the assignment.

Assignments without the properly signed declaration will not be graded by teachers.

Only the final version of the assignment should be submitted via VeriGuide.

The submission of a piece of work, or a part of a piece of work, for more than one purpose (e.g. to satisfy the requirements in two different courses) without declaration to this effect shall be regarded as having committed undeclared multiple submissions. It is common and acceptable to reuse a turn of phrase or a sentence or two from one's own work; but wholesale reuse is problematic. In any case, agreement from the course teacher(s) concerned should be obtained prior to the submission of the piece of work.
